

ADHA Webinars: Frequently Asked Questions

Q: How many CE credits are webinars worth?

A: Unless otherwise stated, ADHA webinars are typically worth one (1) CE hour.

Q: Will this webinar be recorded?

A: Yes, we record all webinars and make them available the following day to those who registered and through the My Membership section of www.adha.org.

Q: Will watching the webinar live count towards live CE credits?

A: In many cases, yes, but this depends on the practice act rules for the state(s) you hold a license in. [Please consult this document](#) for a quick overview of whether your state considers live webinars as live CE. Should you have further questions, it is always a good idea to consult your dental hygiene licensing authority directly.

Q: Are there costs associated with this webinar?

A: The majority of ADHA webinars are free for members. For non-members the charge is \$20.

Q: How do I obtain my CE certificate/where is the post-test?

A: For live webinars, thirty minutes after the end of the webinar you will receive an email with the post-test link included. If taking the webinar on-demand, you will need to either click the post-test link in the email or in the My Membership section of the site to access the post-test. Post-tests always follow the event survey.
